

CliniComp, Intl.

MEDIA ALERT

CliniComp, Intl. President Alan Portela to Chair IQPC's EHR Summit

WHAT: Alan Portela, president of [CliniComp Intl.](#), a global provider of mission critical clinical documentation systems, will chair the [International Quality and Productivity Center \(IQPC\) Electronic Health Records Summit](#). Portela will give daily opening and closing remarks each day during the two-day event, which is designed to help hospitals and health systems develop strategies to meet “meaningful use” of certified EHRs under the American Recovery & Reinvestment Act (ARRA).

**SUMMIT
DETAILS:**

The EHR Summit offers attendees an exclusive opportunity to network and learn what leading healthcare provider organizations are doing to ensure their EHR investment is successful and meets federally mandated 2011, 2013 and 2015 meaningful use objectives. It will feature more than 18 interactive educational sessions. Presentation topics, which will include use of best-of-suite and other IT approaches to design EHRs that comply with meaningful use requirements need-to-know updates on meaningful use, ARRA stimulus funding, certification and HITECH and HIPAA policies, will enable participants to create and optimize their own internal ARRA strategy.

The conference agenda is available at: <http://www.ehrevent.com>. Founded in 1973, IQPC's mission is to deliver the highest possible quality of conferences targeting businesses in more than 15 industries including healthcare and technology.

WHEN: June 22, 8:00 a.m. – 5:30 p.m.; June 23, 8:00 a.m. – 4:30 p.m.

WHERE: The Blackstone, A Renaissance Hotel
636 South Michigan Ave
Chicago, Illinois 60605 USA
