

## **MEDIA ALERT**

### **CliniComp, Intl. President Alan Portela to Address Institute for Health Technology Transformation's Spring Health IT Summit**

**WHAT:** Alan Portela, president of [CliniComp Intl.](http://www.clinicomp.com), a global provider of mission critical clinical documentation systems, will participate in a general panel session discussing the “meaningful use” of electronic medical records (EMRs) guidelines under the American Recovery & Reinvestment Act (ARRA) at the [Institute for Health Technology Transformation's Spring Health IT Summit](http://www.ihealthtran.com/csspring.html). With the passing of ARRA, hospitals and health systems are granted a unique opportunity to recoup costs associated with the acquisition and implementation of EMR technology.

**PANEL DETAILS:** The “**Meaningful Use: Preliminary Review and Analysis**” panel presentation will feature hospital and vendor executives, including Portela, at the forefront of implementing clinical systems while meeting ARRA's tight deadlines for eligibility of payments alongside the requirements to demonstrate meaningful use. Topics covered: government programs and regulations influencing providers' abilities, clinical and logistical priorities, obstacles and tips to help medical facilities achieve meaningful use and avoid the suboptimal results associated with rushed I.T. clinical initiatives.

The conference agenda is available at: <http://www.ihealthtran.com/csspring.html>. The Institute for Health Technology Transformation is the leading organization committed to bringing together private and public sector leaders fostering the growth and meaningful use of technology across the healthcare industry.

**WHEN:** Thursday, May 13, 2010  
3:15 p.m. – 4:30 p.m.

**WHERE:** Ritz Carlton  
1 North Fort Lauderdale Beach Blvd.  
Fort Lauderdale, Fla. 33304

**CONFERENCE ATTENDEES:** CEOs, CIOs; chief medical information officers; chief medical informatics officers; physicians; practice managers; and vice presidents / directors of IT.

**INTERVIEW OPPTY:** Alan Portela, president, CliniComp, Intl.

**MEDIA CONTACT:** Jodi Amendola for CliniComp, Intl., 480-664-8412 ext. 11

#### **About CliniComp, Intl.**

San Diego-based CliniComp, Intl. was founded in 1983 by Chairman and CEO Chris Haudenschild. CliniComp is a global provider of enterprise clinical documentation systems proven to improve the efficiency and safety of health care providers' highest-acuity workflows. The *Essentris*® *EMR*™ suite is the inpatient documentation solution for the U.S. Military Health System and has supported patient care at leading health care systems such as VA North Texas Health Care System, UCLA Health System, and Tenet Healthcare throughout the country for over 26 years.
